Specific Areas

Insurance and Reinsurance

Experience of disputes involving most classes of marine and

non-marine insurance and reinsurance including aviation, CAR/EAR, cargo, hull (including TLO), liability (including P&I), political risk, professional indemnity, property/casualty, personal accident/WCC, KR, satellite, rig and XL (including LMX and PA spiral). Acted in a number of disputes on the "Bermuda" form. Experience of finite risk/ART arrangements.

Arbitration

Numerous arbitrations of all types as Counsel, including insurance and reinsurance, shipping, sale of goods, and commodities; both ad hoc, and pursuant to the rules of various bodies including LCIA, ICC, ARIAS, LME and AAA. Appointed as arbitrator in various ad hoc arbitrations (insurance and reinsurance and other disputes).

Shipping

Experience of charterparty and bill of lading disputes, ship sale and purchase, shipbuilding and repair, ship finance, limitation of liability, and average.

International Banking/Letters of Credit

Experience of numerous LoC/finance disputes, particularly between issuing, confirming, negotiating and accepting banks, involving various additions of the UCP.

Sale of Goods/Commodities/International Trade

Experience of sale/supply disputes involving numerous commodities including oil and gas, metals (physical and warranties), grains and sugar.

Offshore Construction and Finance

Experience of rig building and conversion disputes, and associated finance and security transactions.
